Lou Audia

Tropicaliente

FOOD/DRINK

AUCTION

Still collecting Gift cards

Communication strategies – Isabelle is emailing from Mailchimp,  
Karen G is emailing the school list

Bidding for Good will go live May 1<sup>st</sup> at 8am – Andrea will check the the bit.ly link  
will work – <http://bit.ly/tropi11>

Crayons, ring toss, and balloon there will be a sheet where you can record purchases  
on a sheet. It will be entered into BiddingForGood and then people can make their  
final payment on checkout.

Auction tables will have a sister helping with the bidding if someone doesn't have a  
phone.

Tickets – 93 sold– 60 sponsor people - 153 people

Checkin/Checkout – Chromebooks from the school on Friday to help check-in and  
checkout. Amy has three people who can help at the front desk. Need to decide how  
much to pay them. Milica will set up accounts for them.

Games – Lou has added the volunteers, carbon paper for duplicates, balloons and  
helium will be purchased next week.

Food/Drink – food is good, everyone has confirmed, Chef and bus people (3) are all set. Bar is - being set up the same as past years. All the tables etc will be delivered on Thursday to BFIT.

Sponsors and Ads – still waiting on a few ads – all good. It would be good to meet about the program guide before next year. Andrea to remove all the art auction items and include a section describing the art by Mr Mac along with photos. Andrea to create an ad for c-concept.

Fund-A-Need – get talking points to Chad, make sure Evita has everything to show the slides during FAN, look for the video that played last year. No icebreaker at the beginning, Alicia and Jane will record numbers. Ms Soto will speak at the event

STEM update – 3 priorities auditorium, STEM, playground (learning, play, infrastructure) – they want to help with students coming to Wentworth, want to help with finding grants, partnerships with the community. It was a very encouraging meeting. Two paths – STEM teachers to work on one path, school yard, partnerships can be done separately from the teachers. Mary will write up a report and share it with Ms Soto and find out how she wants to be involved. It is all very promising.

Next meeting is Tuesday May 21<sup>st</sup>

Alicia to host
