Agenda

Committee Updates:

Events:

\$4775 total from the Distillery event on March 20th.

Minni is the next event. We'll start emailing this week, and remind people to sign up.

We need to get the registration info for the flower arrangement workshop.

Book talk event - we are looking for sponsors. We need to work out the details of how we order the books for those who'd like a copy.

We should have tiered registration:

- Free, just attend
- \$50 - attend and get a book
- \$100 - attend, get a book, and support reading help for student(s)

We'll get a total number of staff members so that we can order enough book for the school community.

Sponsorship updates:

Lemanski construction donated \$100; Melanie Olinto donated \$1000; Sporges and Niel will get back to us, a few other sponsors as well.

Arts:

We got the email from Ms. Verano about Handel and Haydn society expanding the music program to higher grades.

We got the Stars grant for the CMCB partnership - songwriting program for 4th and 5th grade. It will be a one week program in June.

Infrastructure:

The soccer field is being used by the community during school hours, and over the weekend. Ms. Verano wants to lock the field, but we also need signage.

Next Meeting:

Monday, April 26th @ 7:30pm
