Agenda

Karen Gonzalez - SSC Presentation

Social Emotional student well being proposal: Hurley CBHM - multi tier support for students in school

Second Steps curriculum

Proposal for new school values, to update the existing core school values.

Need artist help/support to update the mural at the soccer field. Eight grade students are working on it, but we need more help connecting with artists to help us update the mural.

Committee Updates:

Treasurer's Report

All of the fundraising events this year we raised - \$24,485. We will try and do a final paddle raise push. We are under budget on a lot of the things, since school was not in person for most of the year.

Bodega has not made any money this year, they should be back next school year.

We are still looking for a book keeper. A few hours every month. We should pay them.

Events - last one on June 9! Rumba y Timbal

Its remote for now, we will explore scheduling it on the field and potentially during school hours. We would offer live and zoom option. Emily Pierce will talk to Ms. Verano and Karen.

Infrastructure (Playground, field updates, projector training?)

We need to collect the information which projectors are working, and which ones need to be fixed to work properly.

Arts

Stem

Tropi 2022 - updates on location options

Frances is reaching out to Cyclorama, and we are also looking into Power Station and Artists for Humanity.

DropBox transfer project

In progress.

Other/New Items

- End of year teacher appreciation - We'll reach out to Ms. Verano and offer to support an event.
- Justin Binet donation/tribute the school is already organizing something.
- Community building Fall clean up? - For the next meeting we will discuss the fall welcome event.
- We'll also discuss additional fundraising events for the next school year.
